December **3**, 2007

AMENDMENT

This is in response to the Office Action dated June 4, 2007 in the above-identified application. This response is being timely filed in view of the simultaneous filing of a Petition for Extension of Time for three months to and including December 4, 2007 including an authorization of payment of fees.

Included with this Amendment is an Information Disclosure Statement and accompanying PTO-1449 form.

Please amend the above-identified U.S. Patent Application, as follows:
